A *Gazebo Retreat* can turn the average yard or landscaping project into a charming and elegant "Getaway"!

Many people use their *Gazebo Retreat* as a center for hosting birthday parties, wedding and baby showers.

Gazebo Retreats are available in many sizes and styles. Our larger oval styles have proven to be a comfortable "Getaway" for residents in condominium recreational areas and assisted living facilities.

Gazebos have been a fixture in many gardens for centuries. Their popularity and presence have become more widespread with every generation. They have become one of the most familiar outdoor garden structures in the world.

A *Gazebo Retreat* can be integrated as part of your existing deck or used as a detached porch, reading room, dining room or breakfast nook.

Gazebos are a great way to add charm and elegance to your deck or outdoor entertainment area. Whether it is attached to your deck or free standing in a quiet location of the yard, a gazebo is a wonderful way to build a quaint escape for all to enjoy.
