*Therma-Vue Storm Doors
20 Year Limited Warranty*

STYLELINE warrants that all Electrostatic Powder Coated Aluminum Products are manufactured in accordance with the highest standards of aluminum fabrication. The powder coated paint finish is warranted against blistering, peeling, cracking or chipping from normal intended usage for a period of twenty years from date of installation to the original purchaser. The operational hardware of the Therma-Vue doors are warranted, under normal and intended usage, for a period of two years from date of installation to the original purchaser. If defects should occur, repair or replacement (at our discretion) of defective material will be made, F.O.B., Styleline Factory at Monroe, Wisconsin.
